Food that matters

OUR GROUP

Organic fruit & vegetable preserves for private labels

Beans, sourced as locally as possible meal components, and meat substitutes

Flexible co-maker of healthy, sustainable spreads and sauces

Corn processor focused on a short, optimized supply chain

High-quality fruit and vegetables locally processed in Tanzania for Europe and Africa

OUR MISSION

We are building a **healthy** food system, from soil to customer.

That means fair and healthy food for everyone. Sustainably produced, through a short, transparent chain.
